*It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.When the tall, tan, tantalizing Texan strode into her brother s business office with his bodyguards like he owned the joint, Kelley Baylor didn t know him from a can of paint. Wearing a black Stetson and cowboy boots complete with spurs, he cast his obsidian gaze on her like she was on the menu of his favorite five-star restaurant and today s special seven-course meal complete from soup to nuts. At nearly forty, she instinctively knew that men like him came packaged with a capitol D for Dangerous. Still, she would do anything for her younger brother and fight by his side to save Baylor Construction no matter what it took. Jake Hawkins, notorious corporate raider and multibillionaire head of BlackHawk Global, hadn t decided whether he would start a hostile takeover of the Baylor Construction Company or save it from others who were plotting something far worse. His daughter s and grandsons happiness was at risk in this high-stakes game of corporate raiding. Yet, it only took one look at the brown-eyed beauty, Kelley Baylor, to seal the deal for him. He wanted her and the costs be damned to have her. She led him on a merry chase, but he was biding his time, letting her have her head until she ran out of real estate to run. Then he would have the woman and her brother s company in his stable-lock, stock, and barrel.
