Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Do you struggle to teach your child the value of work and money? One of the best ways to inspire growth, creativity and independence in your children is to encourage them to earn their own money. Before age 16 it is next to impossible for a young person to earn their own money. However, using this guide with over 35 different unique ways of making money, even children as young as 10 can earn an income and grow a business. The book outlines a description of a product or service a young person can provide, the start up costs, resources and/or equipment needed, market research and a marketing plan to get and keep customers. Success at a young age increases the chances of success as you grow older. This indispensable resource will give your child ideas, resources and an outline of how to start their own business. Written by a successful home school mother, this resource will give you and your child many potential business ideas that you can grow to fund bank accounts and college educations.
