The Cold War Spy Pocket-Manual: The Official Field-Manuals for Espionage, Spycraft and Counter-Intelligence (Hardback)

By -

The Pool of London Press, United Kingdom, 2016. Hardback. Book Condition: New. 180 x 120 mm. Language: English . Brand New Book. Some twenty-five years after its conclusion, yet with its echoes resonating once more in contemporary East-West relations, the rigors and detail of many aspects of the Cold War are becoming increasingly of interest. Furthermore, at the very same time many of the records of the period are beginning to become accessible for the first time. At the forefront of this unique conflict, that divided the world into two opposing camps for over four decades, were the security services and the agents of these secretive organizations. The Cold War Pocket Manual presents a meticulously compiled selection of recently unclassified documents, field-manuals, briefing directives and intelligence primers that uncover the training and techniques required to function as a spy in the darkest periods of modern history. Material has been researched from the CIA, MI5 and MI6, the KGB, the STASI as well as from the Middle East security services and on into China and the East. As insightful as any drama these documents detail, amongst many other things, the directives that informed nuclear espionage, assassinations, interrogations and the turning of...
