OCLC Number: (OCoLC)162101686 Excerpt: . . . require the contractor to notify the Coast Guard of subcontracts over 10 10 million that were awarded to the two major subcontractors. The Coast Guard had begun to address five other recommendations by initiating actions to establish charters and training for integrated product teams; improving communications with field personnel regarding the transition to Deepwater assets; devising a time frame for measuring the contractors progress toward improving operational effectiveness; establishing criteria to determine when to adjust the project baseline; and developing a plan to hold the contractor accountable for ensuring adequate competition among suppliers. In our April 2006 report, we determined that, based on our work, these recommendations had not been fully implemented. The Coast Guard disagreed with and declined to implement one of our 11 recommendations: to establish a baseline to determine whether the system-of-systems acquisition approach is costing the government more than the traditional asset replacement approach. We will continue to review Deepwater implementation and contract oversight. We are currently reviewing aspects of the Deepwater program for the House and Senate Appropriations Committees Subcommittees on 11 Homeland Security....
