OCLC Number: 277050043 Excerpt: . . . 3 Again, I cant emphasize enough that testing of drugs and de-vices for pediatric use is essential. As a father of three young chil-dren, I know how critical it is that we ensure our children with ac-cess to the treatments and therapies they need to live happy and healthy childhoods. I also want to say that I know how important these issues are to members of this subcommittee on both sides of the aisle. Ms. Eshoo, Mr. Waxman are the voices in the debate about encouraging pediatric studies for prescription drugs. Mr. Markey and Mr. Rogers have been strong advocates on the need for medical devices to be made available for kids, and I am going to work with all of you to ensure that we pass legislation that in-cludes access to the medical treatment our Nations children need. Again, I want to thank all of our witnesses for being here today even though we are dealing with certain limitations here in terms of the technology, and we are the technology committee. So I dont really know what to...
