Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Rather than focusing on the big picture, this book helps you look for a very small cog in the wheel, regular people, with ordinary problems and concerns, who found themselves swept into the vortex of war in their own homes. With all the many hundreds of books on the Civil War coming out every year and thousands now available on line, the challenge for the non-professional Civil War researcher is to zero in on the relevant material that will aid in your research. John Rigdon, a professional Civil War researcher, and author of dozens of Civil War books has finally authored a volume that will aid your research in Georgia. The book is 250 pages in length and it will open up the universe of materials available to you in a way never shown before. CONTENTS Getting Started Finding a Name - How to find the name of your ancestor who fought in the war. A Word About Troop Organization - What does regiment, company, battalion, squadron, army, corps, and battery mean and why should I care? A Mini Course on How To Do Research Off Line Resources for Research - General reference material for researching both the war in Georgia and Georgia troops who fought in Virginia and in the west. Military Service Records - An introduction to the holdings in the National and State archives and how to access the finding aids on line. Veteran Records - Pension records, the United Confederate Veterans, the 1890 Veterans Census, Confederate Veteran Magazine and other resources. Library Research Tools - Bibliographies, how to effectively utilize the Library of Congress classifications and numbers to browse a library shelf virtually....
