Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

HIGH-FIVES FOR HOMOPHONES (PAPERBACK)

Xulon Press, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.High-Fives for Homophones is a terrific book for third and fourth graders to read with a parent, or alone, based on reading level or family preference. Educators could read aloud in class during a unit on homophones; a chapter a day over consecutive days. Fifth graders could use as reinforcement of former class usage. All would be provided with a delightful story. A great resource for parents; a tremendous supplement to classroom work per comments from parents and children: This story definitely reinforces what Nicholas is working on in school. He just had a spelling test on homophones. It is a nice blend of narrative and dialogue. We had fun, it built curiosity and awareness, and some academic competition. Here are 8 more sets, if you want to add them to your list! Jennifer Ferguson, Nicholas Mom It was really cool to hear a story about a friend and other boys around my age. It was great to read about two neighbors. Nicholas Ferguson, 3rd grader, Cicero, NY The story reinforced homophone usage. It would be a fun game to use in the car. Sue T., Allison s Mom It was really good!.
