Brand New Book ***** Print on Demand *****.Excerpt from British and Foreign Medico-Chirurgical Review, Vol. 36 And what is this Hygiene that we should exalt it, or that we should fear it? It is indeed Civilization s better part. Much there is in it of that mystery that attaches to our race; the counters that it plays with are not merely human lives; crowns and sceptres are under the influence of its sway; the balance of European power, the British constitution itself, may bend to its strong appeal: for with a step like that of the ghostly statue in the play, amid the clang of international and jars of political discord, Civilization irresistibly advances - strong by its alliances, attractive in its sympathies, pulsating under the pressure of ancient and domestic thrall, yet sworn in fealty to no soil, it spreads and pierces by a law of life; and come what will, it must go on. There is no longer any let to this must; and as it establishes itself it will call for barriers against disease. The interpretation of individual independence - incompatibility...
