Tax Your Imagination!: Alternative Economics 101: The Road to a Debt-Free and Inflation-Free Economy (Paperback)

By Steve Consilvio

Createspace, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. TAX YOUR IMAGINATION! is a fast-paced and groundbreaking analysis of the root cause of economic volatility and inequality. It challenges longstanding economic theories using a simple mathematical model. Most importantly, it offers a painless and systemic alternative. TAX YOUR IMAGINATION! is a blueprint for a new world economy and an enduring peace. While the goal is grandiose, the solution is simple, using local government and existing laws as a wedge for reform. It is uniquely post-partisan, exposing the strengths and weakness of all political factions, from monarchy to terrorism and the seemingly intractable positions of leftwing and rightwing politics. Mathematically, all current political positions are the same, and will generate inflation, debt, instability and concentration of wealth. They each fail to address how money is handled. Buy low-sell high has enduring consequences that can only be solved with a comprehensive buy low-sell low framework. Individuals, unions, governments, businesses and non-profits need to share a common understanding and strategy. Our problems are primarily an accounting methodology issue. TAX YOUR IMAGINATION! covers the birth of modern finance, which began...
