A Simplified Guide to Church Websites: Purpose, Planning, and Presentation (Paperback)

By Brian Jaeger

Createspace, United States, 2015. Paperback. Book Condition: New. annotated edition. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Your church website could be better. Even if you paid a lot of money a few years ago, it's not exactly what you want. Maybe it doesn't exist at all, or maybe the volunteer who built it left for another church. While the reasons for not having a good church website are infinite, the way to create a better church website has just gotten a bit simpler with this guide designed to help anyone interested in attempting to implement a new website for a church. This is a book each minister, congregational president, and church library needs. The book starts with an argument for having a better website. If you've had trouble convincing your board or members of the need, you'll find some resources that might help. The guide then presents some suggestions about the kind of framework to use in building your new or updated site. The next part of the book takes a look at a website from top to bottom, going over most of what you'll need to...
