She lost everything-her career, her liberty-and spent two years in prison. Now back on the outside, Mace is trying to rebuild her life and track down the people who set her up. But even with her police chief sister at her side, she has to work in the shadows: there's a vindictive US attorney on her tail and she's just looking for a reason to send her back behind bars .Roy Kingman is a young lawyer, still getting used to his high-paid job at a law firm in Washington. When Roy discovers the dead body of a female partner at the firm, his fate becomes entangled with Mace's, as the two team up to investigate. But as their enquiries gather pace, Roy and Mace soon find themselves in unexpected territory; drawn into both the private and public world of the nation's capital, as dark secrets begin to emerge. For what began as a fairly routine homicide investigation will quickly turn into something far more complex. And possibly lethal .
