Shell Education Pub, United States, 2015. Paperback. Book Condition: New. 267 x 216 mm. Language: English,Spanish . Brand New Book. Learn about different animals that live in the city, collecting data and making predictions about each of them! This entertaining title, translated in Spanish, follows the story of a fourth-grade class field trip to a park where students study and investigate different animals such as mallard ducks, sparrows, rabbits, dragonflies, and more. Children will be encouraged to build analytical habits as they are engaged with simple practice problems relating to ecology and mathematics. With STEM themes, clear mathematical charts and diagrams, easy-to-read informational text, vivid images, and text features such as a glossary and index, this Spanish-translated nonfiction book will encourage readers to collect data and make predictions about animals and many other topics on their own!.
