How to Study and What to Study (Classic Reprint) (Paperback)

By Richard L Sandwick

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from How to Study and What to Study It is my belief that students have a right to as much and as expert coaching on how to study lessons from books as they receive on how to play football, how to dance, or how to do anything else. They will generally be grateful for such help. In fact, the learning process may be made the subject of so much thought as to become itself a vital interest, perhaps as potent in holding students in school as are the extra-scholastic activities, such as games, dramatics, initiations, and the like, that are seemingly the only attractions in school and college life for many young people. My classes have found help in the talks that I have given as I have kept pace with the slowly developing literature of educational psychology. The purpose of this little book is to place before younger students, in simple form, the general principles of effective study; if it helps its readers, it will have fulfilled its mission.
