Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

The Committee to whom was entrusted the arrangements for the ovation, therefore appointed a Sub-Committee to attend to this publication, desiring to have it placed in the hands of our citizens at the earliest possible time consistent with a correct record of the transactions of the day. In preparing this volume for the press, the Compiler has felt the want of sufficient time to collect and arrange his materials in order to present the work to the public in a suitable form. Much of the material came late into his hands, and many of the details were furnished by different persons, having different modes of presenting the same kind of information, so that he has found it impossible to present the more descriptive parts with that uniformity which would have been desirable. Rather than delay the publication of the work, he has preferred to adopt the narrative of events, with but slight changes from the form and language in...
