Ocean Books. Paperback. Book Condition: new. BRAND NEW, Harmonise with Life: A Guide for Finding Your Own Path to Inner Peace, Joy and Love, Tycho Photiou, This book is written for the independent truth seeker - that rare breed of person who questions all accepted dogma and forms their own opinions by combination of open-minded awareness, intuition, experience and constant questioning. Within these pages we will be dealing with questions such as: What are we? What is holding us back? What practical steps can we take which will help us live life more fully, with more love and joy in our lives? We need to question whether religious dogma, scientific dogma, social dogma, or any other belief system which may be thrown at us as if it is 'the truth' is actually serving us. We must ask whether the beliefs that we are holding are assisting our spiritual evolution or opposing it. We are truly unlimited beings, our potential is infinite, and once we awaken to this fact, life becomes an exciting adventure full of inspiration, adventure, joy and most of all love.
