Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

MEXICO ON FILM: NATIONAL IDENTITY AND INTERNATIONAL RELATIONS (PAPERBACK)

ARENA BOOKS, United Kingdom, 2006. Paperback. Book Condition: New. New.. 231 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Given its features as a modern mass medium and thus closely related to the nation, cinema has rightly been regarded as a privileged site for putting forward and contesting representations of national identity, or in short, as a main arena in which narratives of national identity are negotiated. What do films such as *Amores Perros* or *Traffic* say about Mexican identity? In what way could *Bread and Roses* or *The Crime of Padre Amaro* be part of its transformation? This book looks at representations of Mexicanity in Mexican cinema and also in Hollywood throughout the twentieth century and beyond, arguing that the international context plays at least as important a role as ethnicity, religion and language in the construction of images of the national self, although it is seldom taken into account in theories of national identity. The Mexican film may reveal much about Mexican society, e.g., *Traffic* and the prevalence of drug trafficking, *Bread and Roses*, and the problems of migration; *Amores Perros*, in relation to metaphors of the nation as an extended family; *The Crime of Father Amaro*, in discussing the changing position of the Catholic Church; and *Herod's Law*, a scathing critique to the political system that dominated Mexico for the best part of the 20th century. Throughout, the book emphasises the contingent nature of hegemonic representations, and our ongoing need to tell and to listen to - or indeed, view - stories that weave together a variety of strands to convincingly tell us who we are.
