Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

V & A Publishing. Hardback. Book Condition: new. BRAND NEW, Ben, Jack Townend, These collectible children's books have been lovingly restored for their first printing since the Second World War. Following the release of A Story about Ducks and A Railway ABC, V&A Publishing has rediscovered two more touching stories by the inimitable author and artist Jack Townend. Ben tells the story of a lonely steamroller. Ben loves to work hard for Mr Dodie but, at night, when he is all alone, pools of tears collect beneath his boiler. He is lonely and yearns for brothers and sisters. One day Ben looks across a field and sees a puff of white smoke. Overwhelmed with happiness, he hastily rushes to meet steamroller Matilda, and the pair agree to run away together. Delightful lithographs accompany this sweet and endearing love story.
