

The Theory of the Leisure Class

By Thorstein Veblen, Martha Banta

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, The Theory of the Leisure Class, Thorstein Veblen, Martha Banta, 'Conspicuous consumption of valuable goods is a means of reputability to the gentleman of leisure.' In The Theory of the Leisure Class Thorstein Veblen sets out 'to discuss the place and value of the leisure class as an economic factor in modern life'. In so doing he produced a landmark study of affluent American society that exposes, with brilliant ruthlessness, the habits of production and waste that link invidious business tactics and barbaric social behaviour. Veblen's analysis of the evolutionary process sees greed as the overriding motive in the modern economy; with an impartial gaze he examines the human cost paid when social institutions exploit the consumption of unessential goods for the sake of personal profit. Fashion, beauty, animals, sports, the home, the clergy, scholars - all are assessed for their true usefulness and found wanting. The targets of Veblen's coruscating satire are as evident today as they were a century ago, and his book still has the power to shock and enlighten. Veblen's uncompromising arguments and the influential literary force of his writing are assessed in Martha Banta's Introduction. ABOUT...

Reviews

Very useful for all group of people. It is amongst the most incredible pdf i actually have read through. Its been written in an extremely straightforward way and it is just right after i finished reading through this pdf by which basically modified me, change the way i think.

-- **Felicia Nikolaus**

These sorts of ebook is the ideal book offered. It can be writter in simple terms rather than confusing. I discovered this pdf from my dad and i advised this publication to understand.
