Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from **A History of Two Reciprocity Treaties: The Treaty With Canada in 1854, the Treaty With the Hawaiian Islands in 1876, With a Chapter on the Treaty-Making Power of the House of Representatives** There is a wide-spread and increasing interest in reciprocity as one solution of the problem presented by the tariff in its relation to trade. This general interest is offered as a reason for the publication of another book so soon after the appearance of *Reciprocity*, in which Professors Laughlin and Willis have given such a comprehensive treatment of the whole subject. Eleven years ago, Dr. F. E. Haynes published an excellent article on The Reciprocity Treaty of 1854 with Canada in volume VII of the *Publications of the American Economic Association*, November, 1892. But in relation to Canada and to Hawaii, both of these publications are more or less limited in scope, and inasmuch as public questions of great importance are involved, and as these treaties present so many points of interest to the student of political and commercial history, no excuse seems necessary for considering them both in greater detail than has yet been done. The Treaty with Canada in 1854, as it appears in this volume, was submitted to the Faculty of Yale University for the degree of Doctor of Philosophy, in June, 1902. The Hawaiian Treaty of 1876 was practically finished when *Reciprocity* appeared, and a projected chapter on Cuba was laid aside because that work had already covered the Cuban Treaty. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten...
