Brand New Book ***** Print on Demand *****.The author's search for healing takes her on an excursion to exotic places—a tropical island, the frozen North, a Turkish harem. The mystery of such scenes and some puzzling dreams lead her to a spiritually attuned psychologist who practices past-life regression. A lovely dolphin spirit guide accompanies her on her journey, while words of wisdom from an inspirational inner voice help guide her way. This true story reads like a diary, flows like fiction. A brilliant look into the intuitive mind of a woman longing for connection, understanding and ultimately, love. Raw, honest and from the heart. - Susan Mushkin, educator, writer, editor Dancing with the Dolphin is a delightful read. Very few writers have the ability to make an inner journey as compelling as an action-adventure story, but Kathy Schmidt accomplished that in this fast-paced, fun read through an incredible story that is both earthy and transcendental. Highly recommended! - Elizabeth Anderson, English teacher.
