Createspace, United States, 2014. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.Angel is a lively young girl who isn't afraid of much, except bugs! But, her Granny is a bug scientist who loves bugs. One day, Angel helps Granny unpack a mysterious package which changes everything. Together they experience the fascinating world of metamorphosis as they watch caterpillars transform into beautiful Painted Lady butterflies. As Angel anticipates the excitement and pressure of competing in a Science Fair, they learn new things about each other and themselves. The bond between granddaughter and grandmother strengthens as they rescue Angel's favorite butterfly, Josie, from a broken wing. This book is based on true facts about insects and nature and uses humour and real life experiences as a teaching tool. Kids are having such a good time they don't even realize they are learning. It is a great resource for parents and teachers whether at home, at grandma's house or in a classroom. Who knew science could be so fun? Read the book and find out how you too can raise butterflies. There have been many books written about...
