Brand New Book ***** Print on Demand *****.When she heard the big bang, she ran fast, straining every muscle in her body, across the brook into the cave. Deborah knew she had done everything in her power to be out of the line of fire. She saw his giant legs at cave entrance - the tallest man she had ever seen. Bruised and in severe pain, she staggered out of her mini-coma. So young and ignorant, how could she understand what had just happened to her? Yet equally, she knew that no one can effect changes from the grave. Deborah knew she looked like something from a horror movie! An open BOOK! That one look at her face would make it obvious what she had been through and lived. But no, she found herself at a crossroad, and trust was a rare commodity in this part of the world. She was left with no choice but to tell.
